Download the app today to create your own schedule!

Step 1: Check your phone and/or iPad - do you already have "Attendify" downloaded from a previous year? If yes, go to Step 2. If no, go to your app store and download "Attendify"

Step 2: Open the Attendify app and look for 2021 MHCA - this is the app for our Conference! The first time you enter, you will be asked for some personal info to identify yourself. In the app you will find the schedule of classes, each with the speaker, handouts and a place to take notes; a list of the Conference Sponsors; another list of Conference Exhibitors; and an activity stream where you can talk to others!
